

Board of Supervisors

The Board of Supervisors serves, by law, as the governing body of the County of York. It sets goals and objectives; establishes priorities for County programs and services; appoints the County Administrator, County Attorney, and members of various boards and commissions; adopts the annual budget; appropriates funds; and sets tax rates.

Mission:

As stewards of the public trust, the mission of the Board of Supervisors is to maintain and improve the quality of life for all County citizens. To direct and maximize the available resources of the County toward this mission, the Board will:

- emphasize efficiency, effectiveness, and openness of County government;
- protect the physical, historical, and environmental heritage of the County;
- ensure that growth and development are positive forces on the quality of life; and
- value and respect the individual.

Goals:

- Define and aggressively pursue economic development that broadens the County's tax base and sustains its character and quality of life.
- Improve communication and respect among the Board of Supervisors, other elected and appointed officials, other agencies, County staff, and the public.
- Promote accountability, innovation, and excellence in providing service to the customer.
- Generate quality educational opportunities for all citizens.
- Manage the provision and expansion of County services and facilities in a manner that balances necessary increases in expenditures with the expansion of the tax base.

Implementation Strategies for FY2004:

- Establish County legislative and administrative policies through the adoption of ordinances and resolutions.
- Develop legislative priorities for the General Assembly, providing assistance to the local delegation in accomplishing the County's legislative program.

Budget Issues:

- In FY2001, the Board of Supervisors increased salaries for members of the Board.
- For FY2004, the proposed increase reflects the routine replacement of the Board's computers as part of County policy.
